## CHRISTOPHER'S WEEKLY MESSAGE

### WELCOME TO RENEALWORKS!

As our kids go back to school, St. Paul's is going to embark on a project to help us continue to focus on our spiritual growth and the way God is calling each of us through a program called RenewalWorks.

RenewalWorks is designed to help churches focus on spiritual vitality. It challenges congregations to get back to basics, making spiritual growth a priority in their life and mission. A decade of research exploring key characteristics of vital congregations and involving more than 1,800 churches provides the foundation for the RenewalWorks process. Along the way, that work has been adapted to better fit the traditions of The Episcopal Church. RenewalWorks will inspire us to continue rediscovering who Jesus is and what it means to follow him.

The process begins with an anonymous, confidential, and thought-provoking online survey (called the Spiritual Life Inventory, or SLI), which will be available to you online and in hard copy, September 16 – October 7. The SLI explores your spiritual life and the church's role in supporting it. When the congregation's responses are viewed as a group and benchmarked against data gathered from more than 1,800 churches for over a decade, the SLI provides a snapshot of the spiritual vitality of the congregation.

A nine-person workshop team has been formed to explore spiritual growth and work with the SLI findings. Using a guided methodology that involves self-reflection, sharing, and discussion, the group will meet in four workshop sessions that begin and end with prayer. Workshop team members consider research-based best practices of vital congregations and explore ways those practices might take root in their own congregations. Leveraging the findings, congregations implement changes in ways that make sense for their church and context. We plan to present the results of this work at the Annual Meeting in 2019.
